7. SCRUTINEERING

Scrutineering of vehicles will be on Friday according with Time Schedule in front of the INFO desk.

Each vehicle must be driven in and out with its own drive for a scrutineering.

In case of a delay on Friday the driver can no longer take Scrutineering.

Participants are obliged to bring at the scrutineering of the vehicle all vehicle documents (Competition Booklet) and to bring and show the prescribed safety equipment of the driver.

Scrutineering does not confirm that the vehicle complied with the applicable road regulations.

8. PRACTICE AND QUALIFICATIONS

Immediately after the 1st Stewards meeting there will be a Briefing with drivers and competitors. Attendance at the Briefing is mandatory.

- Only vehicles that have passed a Scrutineering and drivers who made administrative check and have been approved by Stewards can participate in the qualifications.

- The organizer will carry out the qualifications in accordance with the Tender of the Autocross Cup 2024 issued by AŠ SLO.

- The best lap time is the basis for determining the starting point for the first qualifying run.

It is forbidden to train on the race track and outside it, outside the designated time - outside the training schedule. Violators of this ban will be punished by the Stewards, even with a decision prohibiting performance

9. RACE

The start of the race will be marked with a board for 15 seconds and then 5 seconds, which means that the start will be inside board designated time but not later. The start of the race will be signaled by a traffic light. WHEN THE GREEN LIGHTS LIGHT, it is a sign to start. During the race itself, additional traffic lights will be installed at the marshals' points, namely 1X GREEN (track free and without obstacles), 1X YELLOW (danger or obstacle on the track - no speeding to green), 2X RED (stop of the race). In addition, marshals still use signal flags.

Overtaking immediately after the start on the starting straight is only allowed after driving 50 m from the starting line.

- All drivers must be present at the Opening Ceremony of the event, which will include a presentation of the participants in the competition.

- There are three qualifying runs of 6 laps. Each run is 3840 m long. They are followed by a small final and a grand final of 8 laps 5120 m long.

- The schedule of runs is described in the program of the event.

- The driver must announce his resignation or check in for the next run.

Trainings, qualifying races and final races are defined in more detail in the tender for the Slovenian Open National Championship and the AŠ SLO Autocross Cup for 2024 under items 8, 9, 10, 11. The first and second ranked drivers can choose a place in the first starting row. It starts with running engines.

- The ranking of starting places for each run is published on the official notice board of the organizer.

The starting procedure is carried out according to point 9 of the Tender for Open Championship of Slovenia and AŠ SLO Cup in Autocross for 2024 (here and after the TENDER FOR AUTOCROSS 2024)

10. DISCIPLINE IN THE TIME DURING THE EVENT

10-a For all offenses and riots of mechanics or accompanying drivers, the driver is responsible and punished.

10-b In the pits, on the access road to and from the track, driving at a walking speed (5 km per hour) is allowed.

10-c Testing vehicles in these areas is strictly prohibited.

10-d Only a representative of the team has access to the Head Quarters with the consent of the race director or the chairman of the organizing committee.

11. SIGNALISATION ON THE RACE TRACK

The signalization at the race will be in accordance with the AŠ SLO Sports Regulations.

A white flag is added to all marshals, which means you are approaching a slower moving vehicle. This flag is displayed by a marshal who notices »an obstacle« in his part of the track and when the »obstacle« comes within the jurisdiction of another marshal, he withdraws the flag.

12. PADDOCK

- If a BUS or TRUCK is registered as a service vehicle, this is checked when the driver arrives. If it is on if a smaller vehicle arrives on the day of the race, the organizer will assign the driver a smaller box regardless of the previous schedule.

Only one service vehicle may be located in the Paddock next to the competition vehicle, and the accompanying vehicle must be parked outside the paddock at a place determined by the organizer. Each participant is obliged to follow the instructions of the service park manager and occupy the position assigned by him.

- Under the parked vehicles in the paddock, an impermeable protective tarpaulin measuring 3x5 meters is mandatory.
- There must be a fire extinguisher or fireman in the boxes at each refueling of the vehicle.
- Due to the large number of drivers, a "quiet hour" is introduced, namely from 10:00 p.m. to 6:00 a.m. Violations are punishable by a warning, a fine or exclusion of the driver in question from the race.
- The driver can have several accredited companions in the pits and they must be marked with accreditations. The driver is responsible for the entire accredited team.
- After the event, the driver must leave the box cleaned, all rubbish EXCEPT CAR PARTS can be left in one place where the organizer can pick it up.
- Additional vehicle servicing area is in front of the entry zone to the pre-start area, which is marked with a special sign and under the supervision of the scrutineer.

13. DEFINING THE METHOD OF DETERMINING THE AMOUNT OF PENALTIES

Penalties are prescribed for violation of the provisions of this tender and Sporting regulations, which the panel of Stewards can supplement or change, depending on the severity of the violation and the consequences that arise as a result of this violation.

With a fine of up to EUR 200.00 or exclusion from the race, the driver or Competitor is punished for violations of the Sporting regulations and the provisions of this tender, such as:

- **Violation of the ban on training.**
- **Exceeding the speed limit in the pits and on access roads to the track.**
- **A driver who left the vehicle at the starting area or took off his helmet on the track.**
- **Unsportsmanlike behaving and intentionally causing collisions**
- **Non-compliance with Supplementary regulations of event**
- **Non-compliance with Art. 7. signaling and others**

14. PROTESTS AND COMPLAINTS

The filing of protests and the defined deadlines are in accordance with the Sporting regulations of AŠ SLO.

Protests against the result and ranking are submitted written on paper over Crew Relations officer – CRO within 30 minutes after the announcement of the unofficial results on the official notice board. Only a representative of the team/competitor, or a driver with a representative of team, can file it.

Protest after this deadline is not accepted, the results are official and it is no longer possible to protest against them. The protest must be accompanied by a fee of EUR 300 in cash. If the protest is justified, the fee will be refunded in full.

The amount of the fee for a protest on a vehicle, engine, or individual vehicle components shall be determined by the Stewards after consultation with the Technical Commissioner.

Collective protests and timing protests will not be considered.

15. RESPONSIBILITY OF ORGANIZER

The organizer, with its services at the event (Organizing committee, Race management, Sports commissioners, marshals, stewards), disclaims any liability against competitors, drivers and vehicles for any injuries to persons or property that may occur to them before, during and after the race.

In any case, competitors, drivers and attendants participate at their own risk.

The organizer insured the race, spectators and staff in accordance with the norms set out in the Sports Regulations of AŠ SLO.

All employees along the track (race management, wardens, judges, security, towing service,) are required to wear a protective helmet during the race, as prescribed by the organizer.

The helmet must not be bicycle helmet as it must protect the front and side over the ears, and the back of the head to the neck. The helmet can be a moto, skate, .. but it must comply with the Slovenian safety standards.

Everyone who performs as PRESS must also wear a suitable helmet.

16. PRIZE GIVING CEREMONY

The Prize giving ceremony of trophies and awards will take place immediately after the announcement of the official results.
